Remarks

STURDY AS A ROCK RANCH IN PALMER, right next to a park and an idyllic quiet setting. Very close to major routes and shopping makes it ideal for the commuters. This is a handicap accessible home, almost all hardwood flooring throughout and a partially fenced in yard to make it easier for the tenants. A gorgeous great room with open layout, a stone propane gas fireplace, 2 skylights and a large bay window plus a glass slider bring in lots of light. Walkout to the private covered patio and enjoy the beautiful yard. Full house partially finished basement perfect for extra storage or extra space. Please only serious inquiries and excellent credit applicants. Proof of income and also credit history will be required with application. The security deposit is one month of rent plus first month's rent at the signing of the lease. Long term tenants preferred. Very easy to show and available immediately. Utilities are the responsibility of the tenants, the grass maintenance will be included with the rental fee.
